2009 FLOOR LAYOUT

To commemorate our 40th annual show, the Carolina Designer Craftsmen Guild has a special booth celebrating our history (across from the Information area). Please come explore our rich history, and become a member of the guild!

New this year! Visit booth I-3 to see work from some of the area's promising high school craft artists. These works were selected as the best from a call for entries that went out to local high schools this fall. Come check out what our young guests have created.
